EUROPÄISCHE UNIVERSITÄT FÜR INTERDISZIPLINÄRE STUDIEN

The President of the

## European Graduate School

on the nomination of the Senate of the two Divisions of the European Graduate School  
and with the approval of the Board of Directors of the European Graduate School Foundation,  
does hereby confer upon

**Dr. Fritz Schaeren**

the title of

**HONORARY PROFESSOR EGS**

The award of Honorary Professor EGS is given for participating in outstanding ways in the development of higher education at EGS. Dr. Schaeren, the founding chairman of our Board of Directors since 2007, has also served 4 years on the board of the preceding foundation EGIS. He is appreciated as a distinguished leader who pays attention to the continuity of our academic institution with great diligence and extensive experience in serving on committees concerning higher education.

Dr. Schaeren is not only very much familiar with judicial and legal practice but also is an excellent economist, management consultant, coach, musician, lecturer, art-expert, community-builder and Chairman. And with all this professional background he never locked himself up in the ivory tower. He understands what it means to roll up his sleeves and act. He combines the Arts and Sciences with organization, education and society under one roof. His skills and authority are like the bricks of this building, his alertness, reliability and talent substantiate our future like mortar. Passion joins these precious building materials. And last but not least a good hand in caring for the appropriate junior staff makes this beautiful architectural artwork a dwelling place for all.

With gratitude we wish Dr. Schaeren the best health and a prosperous life for his 70 Birthday.

The title of Honorary Professor of the European Graduate School is hereby given in accordance with Article 5b of our Ranking Regulation.
