## New Application for Work-Study Position/s online Summer School 2020

The completed application has to be sent by email directly to the Administrative Office of the European Graduate School: **administration@egs.edu**

**Deadline** for the application is **April 30** of the academic year. Work-Study Position/s are limited on a first-come, first-served basis. Students will be informed by email after the approval by mid-May of the academic year.

Students can **only** apply for the offered Work-Study position/s **during the appropriate period one is registered for**.

A work study can serve the smooth operation of the online summer school.

A work study can also contribute to research material for our social media and for our 25 anniversary of EGS. The topic is: **'reconciliation, celebration and resilience'**. Your start up research will be collected and put together to a paper for our EXA community. Let's research the theme intermodally by looking for visuals, quotes, poems, Youtubes, TED talks, special apps., photographs, and of course writing your own paragraph. The text might be prose, poetry, storytelling, dialogue, essay, case story, vignettes, or a heuristic paragraph. Max. one page.

Please note, you have five options, and we will distribute them according to first come first served and what is needed.
