

Room and Board during Summer School 2010 in Saas-Fee

Students are not allowed to book accommodations during their stay in Saas-Fee through any facility other than the EGS partner. EGS is obligated by the agreement contract with our Saas-Fee partner, which is only able to provide modest rates for room and board under the condition that all EGS students registered for the summer courses book through its office. Students can only be exempted from this agreement if:

- students have relatives or family members owning an apartment in Saas-Fee
- students can prove that the apartment used during their stay in Saas-Fee is being put at their disposition free of charge from the owner of the apartment.

There are also special rates for family members or friends visiting during summer school.

Full room and board for a modest fee (**all meals on campus are compulsory**) is provided by our EGS partner, the **Hotel Allalin**. Single, double, 3-bed and 4-bed rooms in its residence buildings, in neighboring hotels and in some rooms in the Hotel Allalin itself are available.

REMARKS about room and board:

I. The residence buildings are located at a distance of 250-600 meters from the main building, the Hotel Allalin and from the neighboring hotels. All meals are going to be served at Hotel Allalin. Please note:

II. If no rooming partner for your preferred room type can be found (e.g. no 3rd person for a triple room/type G) and you have inevitably to be „upgraded“ or „downgraded“ to another type of accommodation, the rate changes accordingly.

III. Since the rooms/apartments are all different, please remember: the majority do not provide telephone, internet/e-mail access, hairdryers, alarm clocks, adapters, minibar/fridge!

IV. Accommodation with kitchen/kitchenette: on request

V. Dogs/Pets are welcome (rate per day see registration form)
